

India's First **All-in-One** Hybrid Power Back Up Product

PuREPower 60.0

60 kWh

Lithium Ion Battery

60 kW

3-Phase Inverter

5th Gen

BMS

Deep Discharge
Coverage

Nano PCM
Fire - Proof Thermal
Management

Cloud Ai
Support

<4 ms Ultra-Fast
Switchover

Firmware
Upgrades

Remote Data
Monitoring

Up to 90 kW
Solar Compatible

Applications Powered by **PuREPower 60.0**

WHY PuREPower 60.0?

- High Surge Load Capability
- Commercial & Industrial Ready
- Fast Response Backup Power
- Smart Energy Management
- Reduced Dependence on DG Sets

Supports High-Demand Applications

Air Compressors

Elevators

Induction Motors

Centralised HVAC Systems
